

## A FEW GRANITE COLORS

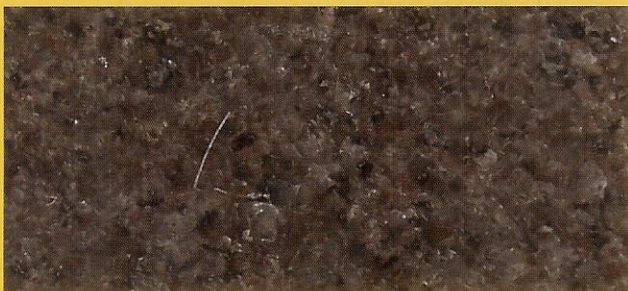

### WAUSAU RED

*A little bit lighter but the quality is just as good as Rib Mountain Red.*

### MEMORY ROSE

*This granite quarried from Canada, would be a fine choice.*

### EVENING ORCHID

*A fine grain granite that retains no visible moisture.*

### RIB MOUNTAIN RED

*The deepest red available in the U.S. and is of the finest quality.*

*These are color photo reproductions of granite. Actual granite may vary in color.*

## A FEW GRANITE COLORS

### BARRE GRAY

*Quarried in Vermont, this granite holds up well in Michigan elements.*

### CHERRY BROWN

*This granite carves very nicely with a beautiful contrast.*

### MISSOURI RED

*An american red granite that carves up nicely.*

### MOUNTAIN ROSE

*Another granite that quarries from Canada. Finishes with a nice contrast.*

*These are color photo reproductions of granite. Actual granite may vary in color.*
